

Scouting Arizona as a Community Partner for Schools

Our Shared Mission: Building Future Leaders

Scouting Arizona and local schools share a common goal—to develop young people into engaged, responsible, and capable citizens. Scouting complements the work of educators by providing hands-on learning experiences that instill leadership, teamwork, resilience, and a commitment to service. By partnering with schools, we can enhance the educational journey of students, helping them develop essential life skills that go beyond the classroom.

How Scouting Aligns with School Values and Outcomes

Scouting Arizona's programs support schools in achieving their objectives by reinforcing key developmental pillars:

- **Character Education:** Scouting promotes honesty, integrity, and respect, reinforcing the values emphasized in school character-building initiatives.
- **Academic Success & STEM:** Our programs include STEM-based learning, problem-solving activities, and outdoor education, complementing school curricula and engaging students in experiential learning.
- **Leadership & Citizenship:** Scouting fosters leadership by teaching decision-making, public speaking, and responsibility, preparing students for future success in both school and life.
- **Service & Community Engagement:** Scouts engage in meaningful service projects, positively impacting schools and local neighborhoods while fostering a culture of giving back.
- **Physical & Mental Well-being:** With an emphasis on outdoor activities, teamwork, and personal resilience, Scouting contributes to students' overall physical and emotional well-being.

Why Schools Benefit from a Partnership with Scouting Arizona

By working together, schools and Scouting Arizona can create more opportunities for students to thrive. Our partnership benefits schools by:

- **Providing Structured, Values-Based Enrichment:** Scouting activities support social-emotional learning and reinforce positive behavior expectations.
- **Offering Leadership and Service Opportunities:** Scouts are engaged in service projects that directly benefit schools, such as campus beautification, food drives, and tutoring initiatives.
- **Enhancing Parent & Community Involvement:** Scouting fosters deeper parental engagement, strengthening school-family relationships.
- **Expanding Extracurricular Options:** Schools can offer Scouting as an after-school program or extracurricular activity that enhances student engagement beyond the classroom.

Contact Us

For more information on how your school can partner with Scouting Arizona, please contact: Matthew Hill, Matthew.Hill@scoutingaz.org, 602-955-7747 ext 202.

How We Can Partner

Scouting Arizona is eager to collaborate with schools in a variety of ways:

- **Adopt-a-School Program:** Scouts commit to ongoing service projects that directly benefit the school.
- **On-Campus Scouting Units:** Establishing Cub Scout Packs and Scout Troops within schools provides structured, value-driven extracurricular engagement.
- **Joint Events & Programs:** Schools and Scouting Arizona can work together on STEM nights, career days, and leadership workshops.
- **Service-Learning Projects:** Schools can integrate Scouting service projects into their community engagement initiatives.

Next Steps

We invite schools to explore how a partnership with Scouting Arizona can enhance student success and community engagement. Let's work together to build stronger youth, stronger schools, and a stronger community.
